## Attestation

- I acknowledge that we will cooperate with the inspection of the facility for the purpose of the application for accreditation.
- I understand the accreditation process is designed to verify the presence of required equipment, drugs, protocol, and trained staff only, and is not meant to be an endorsement of any particular operator or anesthetic/sedation technique.
- I have read the standards and guidelines from *Minimal and Moderate Sedation Services in Dentistry (Non-Hospital Facilities) and related sedation updates*, and I have constructed and equipped my facility in accordance with the facility requirements (staff, equipment, armamentarium, drugs and etc.) set out in the respective Standards and Guidelines.
- I confirm all medical devices are inspected/serviced by a registered biomedical engineer or biomedical technologist, as described in the Standards and Guidelines. BCCOHP does not verify independent biomedical engineers or technologists' qualifications. Facility owners are responsible for ensuring that only qualified personnel inspect/service medical devices.

## Important to note

While accreditation inspection is ongoing, registrants may provide moderate sedation services as long as they are in full compliance with the *Minimal and Moderate Sedation Standards & Guidelines* and related sedation updates, unless directed otherwise.
